

PIERPONT'S
AT UNION STATION

Centering the skyline on the southern edge of downtown Kansas City, you'll find one of the most renowned and prominent buildings in the city, where locals and travelers alike have gathered for almost a century. Asking any Kansas Citian to identify any portion of the building, whether it be the grand façade, the polished marble walls, or the ornate details of the original ceiling tiles, you'll get the same answer – that's Union Station. Pierpont's is fortunate to be nestled in a corner of this iconic architectural delight.

We have been expertly serving fresh seafood and prime steaks for over 20 years. Our seafood is flown in fresh, seven days a week, and our beef is locally-sourced USDA Prime or Certified Hereford. Our talented culinary team hand cuts all steaks in-house and expertly pairs them with the freshest ingredients from local farmers, creating meals to share with friends and colleagues to celebrate together and remember for years to come.

Pierpont's service team is experienced, well-trained, and intuitive to our guests' needs. We strive to be accommodating, as well as go above and beyond expectations to ensure your event is flawless. As the host of a large event, we understand that it can be stressful, and it is our goal is that you relax, enjoy yourself, and leave the work to us. Our culinary and hospitality teams have created the following packages with the guest experience in mind. Thank you for considering us for your event. Please do not hesitate to contact me with any questions you may have.
